THYROID LIFT[™]

Botanical and Nutritional Support for Healthy Thyroid Function

- Features concentrated extracts of the Ayurvedic botanicals Guggul and Forskohlil to support healthy thyroid function.
- Contains key nutrients, such as L-tyrosine and iodine, integral to the development of thyroid hormones.
- Clinically developed by herbalist and licensed acupuncturist, Shasta Tierra, to build energy, warmth and vitality.

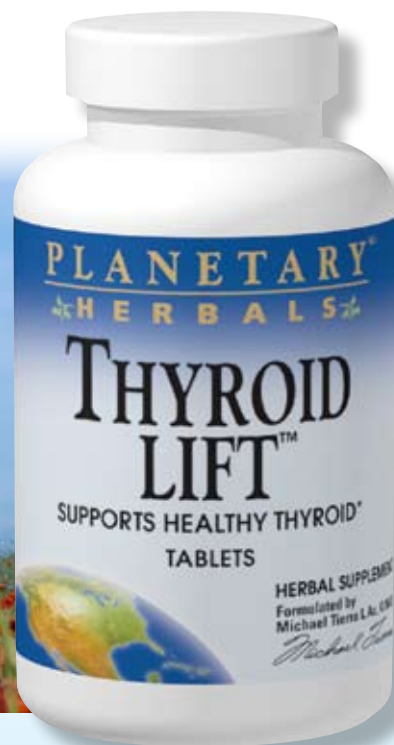

THYROID LIFT is the revitalizing boost some of your customers have been waiting for! It contains herbs and nutrients targeted to support optimal thyroid function, including potassium iodide, vitamin A and L-tyrosine integral to the development of thyroid hormones. The Ayurvedic herb guggul has been shown in preclinical studies to promote healthy thyroid activity. Ashwagandha, antler velvet and astragalus have traditionally been used to build warmth, energy and vitality. An inclusive array of B vitamins encourages metabolic energy release—further enhancing THYROID LIFT's energy-supportive properties. Holy basil, ashwagandha and B vitamins support a healthy stress response, aiding optimal thyroid gland performance. Help your customers seeking to support healthy thyroid function feel renewed vitality and wellbeing.*
